3 tbsp packed light brown sugar  
½ tablespoon granulated sugar  
½ teaspoon ground cinnamon  
2 tablespoon unsalted butter, melted  
1/3 cup all-purpose flour

### Muffins:

¼ cup unsalted butter, softened to room temperature  
¼ cup packed light brown sugar  
2 tablespoons granulated sugar  
1 large egg, room temperature  
¼ cup yogurt  
1 teaspoon pure vanilla extract  
¾ cup and 2 tablespoons all-purpose flour  
½ teaspoon baking soda  
½ teaspoon baking powder  
¼ teaspoon ground cinnamon  
1/8 teaspoon ground allspice  
¼ teaspoon salt  
1 ½ tablespoons milk  
1 cup peeled, chopped peaches (2 peaches)

### Glaze:

½ cup confectioners' sugar  
2 tablespoons heavy cream  
½ teaspoon pure vanilla extract

## Directions:

- In a medium bowl, combine both sugars, the cinnamon, and melted butter
- Using a rubber spatula, stir in the flour – the crumb topping will be thick and crumbly – set aside
- Preheat the oven to 425 degrees F and spray a 6 count muffin pan with nonstick spray – set aside
- In a medium bowl using a handheld mixer, beat the butter on high speed until smooth and creamy, about 1 minute

- Add the brown sugar and granulated sugar and beat on high until creamed, about 2 full minutes - scrape down the sides and bottom of the bowl as needed
- Add the egg, yogurt, and vanilla extract
- Beat on medium speed for 1 minute, then turn up to high speed until the mixture is combined and uniform in texture – scrape down the sides and bottom of bowl if needed
- In a large bowl, toss together the flour, baking soda, baking powder, cinnamon, all-spice, and salt
- Pour the wet ingredients into the dry ingredients and slowly mix with a whisk
- Add the milk, gently whisking until combined and little lumps remain
- Fold in the peaches with a wooden spoon or rubber spatula
- Spoon the muffin batter evenly between all 6 muffin tins – fill the muffin tins until they are full all the way up to the top
- Press a handful of the crumb topping into the top of each – crumble with your hands to make some big chunks
- Bake for 5 minutes at 425 degrees F then, keeping the muffins in the oven, lower the oven temperature to 350 degrees F and bake for 15 – 19 more minutes or until a toothpick inserted in the center comes out clean
- Make the glaze – whisk all of the ingredients together and drizzle over warm muffins
